

By Structural Integrity Associates, Inc.

The Leader in Product Certification For Extreme Event Loading

SPECIALIZING IN:

Seismic Certification

OSHPD OSP Approval

IBC Compliance

Wind Certification

Miami-Dade NOA

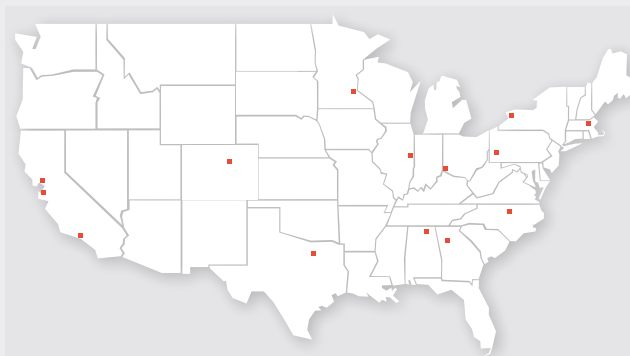

TRU Compliance and Seismic Test Co.
are divisions of Structural Integrity Associates, Inc.

TRU Compliance, through its affiliate Seismic Test Co., has a dedicated shake table. The 10'x10' table can test equipment up to 10,000-lbs. in base, wall, and ceiling mounted configurations.

In addition to the dedicated table through Seismic Test Co, TRU Compliance has preferred testing agreements with labs across the country.
